The Director of Central Intelligence
Washington, D.C. 20505

National Intelligence Council

6 April 1987

Lieutenant General Leonard H. Perroots, USAF
Director, Defense Intelligence Agency
Room 3E258, Pentagon

Dear General Perroots:

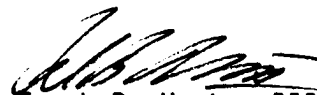

Please commend [redacted] for his outstanding performance
as a drafter of NIE [redacted]

[redacted] expertise on Korean military affairs, his ability to
effectively draw together information on a variety of complex issues, and his
"can do" attitude were instrumental in the realization of a quality Estimate.

Perhaps the highest compliment was paid to [redacted] by the
Intelligence Community representatives at the coordination table, where all
agreed that his draft was excellent. Despite the size and complexity of the
Estimate, the coordination was quick and uncontentious, which also reflected
on the high quality of [redacted] effort.

I would like to add my special appreciation for [redacted]
outstanding performance on this Estimate.

Sincerely,

Frank B. Horton III
Major General, USAF
Chairman
